

WHO IS IT FOR?

Ideal for total immersion and to discover French culture and the French way of life, as well as to progress quickly in your language learning, staying with a host family is the formula best suited to you. This is the only accommodation possible for students under 18 years old.

DESCRIPTION

Selected carefully by our team, our host families are well established with us and have an on-going commitment of quality with the Institut Européen de Français.

The families all share a common sense of hospitality and welcome. Our accommodation service will find the family that corresponds best to your profile ensuring that you have a unique experience in the south of France. On registration we will send you an individual information card to be sent back to us as soon as possible with any special diet, allergies, leisure activities, etc
