

JUNIOR AND GROUPS PROGRAM

WHO IS IT FOR ?

All year long the Institut Européen de Français organizes French programs at the request of partner schools abroad. The program of each stay is developed in consultation with the person in charge of the group to take into account needs and expectations of the participants.

DESCRIPTION

As a supplement to the lessons, the pupils will progress in French more quickly thanks to our cultural activities, which will build upon what they have learned in class.

Model stay :

- French lessons in the morning: systematic training in expression and in oral and written understanding, use of examples from everyday life, the lexicon and the structure of the language, the educational visit in the city.
- Preparation for the examinations. Preparation for the DELF and for the DALF, TCF, Abitur, for the international Baccalaureat, for diplomas of the Chamber of Commerce and Industry of Paris (CCIP), the University Paris IV Sorbonne.
- Cultural Activities in the afternoon and excursions on the weekend: cultural visits to discover Montpellier, Languedoc and Provence: as well as sports and recreational activities (cooking, traditional dances, singing, drawing, tastings).
- We recommend a stay with a host family, to allow the pupils a full linguistic and cultural immersion.
